FlashCAM-SX Extended Warranty

Two (2) year extended warranty plan, extending the one year factory warranty
coverage for a total of three (3) years coverage from the date of purchase.
- *Includes a free FlashCAM factory loaner system upon request while repair work is being performed on your system.*

FlashCAM-DB2 $299

Decoy Camera System
The outside appearance of this unit is similar to the FlashCAM but does not include
any functioning internal components. Price includes a wall mounting bracket.

TRADE-IN Pricing

Current customers can "trade-up" their existing FlashCAMs and replace it with the newly redesigned FlashCAM-SX system for a generous upgrade price. Includes one year factory warranty.

Customer will ship their old system and chassis to Q-Star Technology, and all original mounting hardware (Quick Move Adapter / Wall Mount Bracket) will be kept by customer to be used to mount the newly replaced systems.

Each replaced system includes:

(1) 2.0 GB Secure Digital Memory Card
(1) Battery Charger
(1) RF Keyfob controller
(1) USB Cable
(1) CD-ROM, SX Link software to control downloading picture files from the system
(1) User's Manual
(1) One Year Factory Warranty
