1. **CALL TO ORDER**
 2. **ROLL CALL**
 3. **DISCUSSION**

REVIEW OF THE APRIL 28, 2026 CITY COMMISSION MEETING AGENDA

4. **DISCUSSION OF PROPOSED ORDINANCE(S)**
5. **ADDITIONAL WORKSHOP ITEMS**

- A. **DISCUSSION REGARDING FIRST AMENDMENT TO THE INTERLOCAL AGREEMENT FOR SOLID WASTE DISPOSAL AND RECYCLABLE MATERIALS PROCESSING AUTHORITY OF BROWARD COUNTY (5:15 P.M. TIME CERTAIN)**

This is a discussion regarding the First Amendment to the Interlocal Agreement for solid waste disposal and recyclable materials processing authority of Broward County.

- B. **DISCUSSION REGARDING APPROVING A CITY OF LAUDERDALE LAKES RESOLUTION OF HOUSE RESOLUTION 1689 WHICH IS DESIGNED TO EXTEND OR REDESIGNATE TEMPORARY PROTECTIVE STATUS (TPS) FOR HAITI, PREVENT DEPORTATION OF ELIGIBLE HAITIAN NATIONALS DURING THE DESIGNATED PERIOD AND ALLOW WORK AUTHORIZATION (SPONSORED BY COMMISSIONER MAXWELL-WILLIAMS)**

This is a discussion regarding approving a City of Lauderdale resolution in support of House Resolution 1689, urging action by the United States Senate. This is designed to extend or redesignate Temporary Protective Status for Haiti, prevent deportation of eligible Haitian nationals during the designated period and allow work authorization so individuals can legally work in the United States. Provision of legal presence will continue (but not permanent status).

- C. **DISCUSSION REGARDING THE PROCESS ON PROVIDING AID TO ORGANIZATIONS**

This is a continued discussion regarding the process on providing aid to organizations.

- D. **DISCUSSION REGARDING USE OF CITY FACILITIES (SPONSORED BY COMMISSIONER CAUSWELL)**

This is a continued discussion regarding the use of city facilities.

E. DISCUSSION REGARDING THE STATUS ON THE HIRING OF THE NEW CITY MANAGER (SPONSORED BY MAYOR EDWARDS PHILLIPS)

This is a continued discussion regarding the status on the hiring of the new City Manager.

F. DISCUSSION REGARDING ADVISORY BOARD MEMBERS ABSENCES

This is a discussion regarding advisory board members absences.

6. REPORTS

FUTURE MEETINGS:

The next scheduled City Commission Workshop will take place May 11, 2026 at 5 p.m.

The next scheduled City Commission Meeting will take place on May 12, 2026 at 7 p.m.

PLEASE TURN OFF ALL CELL PHONES DURING THE MEETING

If a person decides to appeal any decision made by the Board, Agency, or Commission with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. (FS 286.0105)

Any person requiring auxiliary aids and services at this meeting may contact the City Clerk's Office at (954) 535-2705 at least 24 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by using the following numbers: 1-800-955-8770 or 1-800-955-8771.

Title

DISCUSSION REGARDING FIRST AMENDMENT TO THE INTERLOCAL AGREEMENT FOR SOLID WASTE DISPOSAL AND RECYCLABLE MATERIALS PROCESSING AUTHORITY OF BROWARD COUNTY (5:15 P.M. TIME CERTAIN)

Summary

This is a discussion regarding the First Amendment to the Interlocal Agreement for solid waste disposal and recyclable materials processing authority of Broward County.

Staff Recommendation

Background:

On June 13th, 2023 City Commission approved a resolution to execute an Interlocal agreement with Broward County to form an independent special district known as the Solid Waste Disposal And Recyclable Materials Processing Authority of Broward County.

This independent district was established to coordinate regional solid waste disposal and recycling. The ILA became effective on August 16th, 2023. Section 3.3 of the ILA requires the adoption of a Facilities Amendment within 36 months of the ILA effective date.

The purpose of the Facilities Amendment is designed to protect public funds and preserve investments in public infrastructure. It defines the type of facilities that the authority may own or operate, establishes standards for open and accountable operation of the system and includes safeguards intended to keep the parties' cost fair and predictable.

This amendment provides the following:

- a) The power to own and operate a limited type of Authority-Owned facilities without further amendment to the ILA such as:
 - Transfer Stations
 - Permanent Drop-off Centers
 - Recycling and Recovery Facilities
- b) Any ownership of other "Solid Waste Management Facilities" without proper ILA amendment is a material breach
- c) Confirms individual Parties can still own and operate their own facilities and contract with the Authority
- d) Address the use and disposition of the Authority's assets in the event of a wind down
- e) Ensure the orderly and efficient allocation of services during that process
- f) Set a Maximum Service Charges which is a cost control and transparency procedure to ensure that no party face material rate increases without clear notice and broad consensus.

The current City's ongoing contribution is in the amount of \$44,313.11 which is estimated based on population.

Staff recommends the City Commission to approve the resolution.

**FIRST AMENDMENT
TO INTERLOCAL AGREEMENT FOR
SOLID WASTE DISPOSAL AND RECYCLABLE MATERIALS PROCESSING AUTHORITY OF BROWARD
COUNTY, FLORIDA**

This First Amendment (“Facilities Amendment”) to the Interlocal Agreement for Solid Waste Disposal and Recyclable Materials Processing Authority of Broward County, Florida (“ILA”) is entered into by and among Broward County, a political subdivision of the State of Florida (“County”), and the municipalities in Broward County that formally approve this Amendment pursuant to the ILA’s terms and return an executed signature page (each, individually, a “Municipal Party” and collectively, the “Municipal Parties”) (collectively, the “Parties” and each individually a “Party”).

RECITALS

A. The Parties entered into the Interlocal Agreement for Solid Waste Disposal and Recyclable Materials Processing Authority of Broward County, Florida (“ILA”) to form an independent special district known as the Solid Waste Disposal and Recyclable Materials Processing Authority of Broward County, Florida (“Authority”), which is charged with coordinating regional solid waste disposal and recycling programs pursuant to Sections 163.01, 403.706(11), (12), (15), and (19), and 403.713, Florida Statutes.

B. The ILA became effective on August 16, 2023 (“ILA Effective Date”). It requires the adoption of a Facilities Amendment within thirty-six (36) months of the ILA Effective Date as part of the Formation Conditions. This Facilities Amendment, as defined in Section 3.3 of the ILA, is adopted pursuant to that requirement.

C. Section 3.3 of the ILA provides that, to be effective, the Facilities Amendment must be approved by the Broward County Board of County Commissioners and by the governing bodies of municipalities representing at least eighty percent (80%) of the total population of the Municipal Parties to the ILA.

D. As further described in Section 3.3 of the ILA, the purpose of the Facilities Amendment is to: (i) provide long-term contingency plans for waste disposal; (ii) address the use and disposition of Authority facilities and assets in the event of a Wind Down; and (iii) ensure the orderly and efficient allocation of services during that process. The Facilities Amendment reflects lessons from the prior regional solid waste system established in 1986 (the Broward Solid Waste Disposal District governed by the Resource Recovery Board), which dissolved in 2013 and gave rise to asset disputes and litigation that was eventually resolved by settlement in 2015. Through the Facilities Amendment, the Parties seek to avoid similar conflicts by clearly defining procedures for the use and disposition of Authority assets.

E. Consistent with the purposes listed above, this Facilities Amendment is designed to protect public funds and preserve investments in public infrastructure. The Facilities Amendment defines the facilities the Authority may own and operate, establishes standards for open and accountable operation of the System, and includes safeguards intended to keep the Parties’ costs fair, predictable, and aligned

with the public interest. The Facilities Amendment also establishes a transparent, orderly Wind Down procedure in which the Authority's assets and liabilities are distributed to continue benefiting the public.

F. This Facilities Amendment does not alter, increase, or reduce the powers of the Authority and, once effective, the ILA, as amended by this Facilities Amendment, may only be modified in compliance with Article 16 of the ILA.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this Facilities Amendment shall retain the meaning ascribed to such terms in the ILA.

2. Article 2, entitled "**DEFINITIONS**" of the ILA, is hereby amended to add the following new defined terms:

2.0.1 Authority Fund(s) means all monies and financial instruments held by or for the benefit of the Authority, including, without limitation, funds derived from revenues, fees, charges, debt proceeds, investment earnings, and sale proceeds. Authority Funds do not include Authority-Owned Assets.

2.0.2 Authority-Owned Asset(s) means property owned by the Authority, including, without limitation, real property or tangible property, whether used or unused, and any reserve funds dedicated to such property. This term includes Authority-Owned Facilities but does not include Authority Funds.

2.0.3 Authority-Owned Facility(ies) means any System Facility owned by the Authority and operated as part of the System in relation to the management, collection, disposal, processing, recycling, storage, or transfer of System Waste.

2.0.4 System Facility means any site, facility, or equipment, whether or not owned by the Authority, that is operated for the management, collection, disposal, processing, recycling, storage, or transfer of System Waste. This term includes, without limitation, any permanent drop-off center, recycling facility, transfer station, or solid waste disposal facility that receives System Waste. This term does not include real property not directly used for solid waste management, recycling, or resource recovery purposes

3. The Parties agree that this document constitutes the Facilities Amendment as described in Section 3.3 of the ILA and includes the required provisions as stated therein, and therefore the requirements contained Section 3.3 of the ILA are no longer operative.

4. Section 8.1.8 of the ILA is hereby amended as follows (with such deletions set as ~~striketroughs~~ and such additions set as underlines):

8.1.8. To the extent permissible under applicable law and provided it does not interfere with County's ability to fulfill its statutory obligations, including under Section 403.706(1), Florida Statutes, the Authority will have the power to provide disposal for Authority Solid Waste generated in the Parties' jurisdictions. The Authority is not granted the power to own or operate a "solid waste disposal facility," as that term is defined in Section 403.703, Florida Statutes (2022), or sell or otherwise transfer an interest in such a facility, unless an amendment to this Agreement, granting such power to the Authority and setting forth the limits and extent of such power, is approved by the elected bodies of: (a) Municipal Parties representing at least ~~two-thirds (2/3)~~ eighty percent (80%) of the total population of the Municipal Parties, and (b) County.

5. A new Article 20 entitled "**AUTHORITY-OWNED FACILITIES: APPROVAL, LIMITATIONS ON OWNERSHIP AND POST-WIND DOWN CONSIDERATIONS**" is hereby added to read as follows:

ARTICLE 20. AUTHORITY-OWNED FACILITIES: APPROVAL, LIMITATIONS ON OWNERSHIP AND POST-WIND DOWN CONSIDERATIONS

20.1 **Purpose.** The Parties wish to provide a framework for the responsible stewardship of public infrastructure and to prioritize publicly owned transfer stations as critical assets that support the System's flexibility, address regional needs, and reduce costs for the public. The Parties also seek to establish a structured pathway to enable the potential expansion to more state-of-the-art public facilities in the future, if required and approved by the Parties pursuant to the terms of the ILA.

20.2 **Approved types of Authority-Owned Facilities.** Notwithstanding anything to the contrary in the ILA, the Authority has the power to own or operate the following without following the procedure set forth in Section 8.1.8 of the ILA:

20.2.1 "Transfer Stations," as defined in Section 403.703, Florida Statutes (2022);

20.2.2 "Permanent Drop-Off Centers," meaning any permanent collection site or facility primarily used for the lawful acceptance of System Waste from the public, that is not a "solid waste disposal facility" as defined in Section 403.703, Florida Statutes (2022); and

20.2.3 "Recycling Facilities," meaning any site, facility, or equipment primarily used for recycling or recovering materials, including, without limitation, the collection, transportation, separation, processing, or reuse of solid waste (or materials that would otherwise become solid waste) in the form of raw materials or intermediate or final products. This term is to be construed liberally to include, without limitation, any recovered materials processing facilities, material recovery facilities, yard waste or organics processing facilities, construction and demolition debris recovery facilities, pulverizers, compactors, shredding and baling plants, composting facilities, other volume reduction plants, biochar pyrolysis plants, organic anaerobic digesters, and other thermal, mechanical, or biological conversion facilities. This term does not include any landfill,

waste-to-energy facility, or other “solid waste disposal facility,” as defined in Section 403.703, Florida Statutes (2022).

Any Authority ownership or operation of any other type of “solid waste management facility,” as defined in Section 403.703, Florida Statutes (2022), outside the scope of this Article 20, and not approved through an amendment adopted pursuant to Section 8.1.8 of the ILA, constitutes a material breach subject to the provisions of Articles 15 and 17 of the ILA, including injunctive relief where appropriate.

20.3 Amendment related to other types of solid waste disposal facilities; requirements. If, in the future, the Authority is granted the power to own or operate a “solid waste disposal facility” pursuant to Section 8.1.8 of the ILA, the amendment granting that power must, in addition to the requirements of that Section 8.1.8, also establish the rules, procedures, and funding mechanisms for allocating amongst County, the Municipal Parties and any other municipalities the costs of any capital expansion of a County-owned facility that may be required for County to meet its statutory obligations in the event of a Wind Down if caused by the individual or collective action of the Municipal Parties. The allocation of costs may include County paying all costs, the Municipal Parties paying all costs, or a shared arrangement.

20.4 Other publicly owned System Facilities.

20.4.1 Nothing in this Facilities Amendment prohibits any individual Party from owning or operating any “solid waste management facility,” as defined in Section 403.703, Florida Statutes (2022), any Permanent Drop-Off Center, or any Recycling Facility.

20.4.2 The Authority may contract with any Party to receive services from, or obtain access to, any System Facility owned or operated by that Party. In return, the Authority may agree to a long-term commitment of System Waste to such System Facility or to any other terms mutually agreed upon by the parties. These agreements may include arrangements under which a Party constructs or acquires a System Facility for the Authority’s benefit. However, unless the relevant contract expressly states otherwise, any System Facility owned by an individual Party will not be considered an Authority-Owned Facility and will remain the property of that Party upon Wind Down.

20.5 Public-private partnerships. The Authority may enter into public-private partnerships as permitted by applicable law. Notwithstanding the foregoing, the Authority is prohibited from entering into any public-private partnership that results in the Authority owning, in whole or in part, any “solid waste disposal facility,” as defined in Section 403.703, Florida Statutes (2022), unless the ILA is amended pursuant to Section 8.1.8 of the ILA.

20.6 Protection of Authority-Owned Facilities. Authority-Owned Facilities are held by the Authority in trust for essential governmental and public purposes and are dedicated to the provision of public solid waste and recycling services for the benefit of the Parties, their residents or businesses. Except to the extent expressly pledged pursuant to a written agreement, or as otherwise required under applicable law, Authority-Owned Facilities will not constitute general

assets of the Authority, and all Authority obligations will be non-recourse to Authority-Owned Facilities and payable solely from Authority Funds. No other creditor or claimant may levy upon, attach, execute against, foreclose upon, encumber, or otherwise interfere with any Authority-Owned Facility, and any entity that is not a Party to the ILA that contracts with or asserts a claim against the Authority is deemed, to the fullest extent permitted by Florida law, to have waived any right to receivership or injunctive relief affecting Authority-Owned Facilities. In the event of Wind Down, the Authority’s outstanding obligations will be satisfied to the fullest extent possible with Authority Funds.

6. A new Article 21 entitled “**WIND DOWN OF AUTHORITY**” is hereby added to read as follows:

ARTICLE 21. WIND DOWN OF AUTHORITY

21.1 Purpose. The Parties desire to ensure that the System remains intact and that investments made in public infrastructure continue to serve public needs in the event of Wind Down. The Parties hereby designate the following rules for Wind Down of the Authority, the orderly transfer of services performed by the Authority, and the transfer of assets of the Authority to a successor entity (or to County if County chooses to perform those services upon Wind Down subject to the requirements set forth below) to benefit all Parties.

21.2 Schedule. The general schedule of Wind Down is illustrated in Table 1 below.

Table 1	
Days after Notice of Wind Down	Required Action
Day 0	Executive Director issues Notice of Wind Down.
Day 45	Executive Director issues Comprehensive Inventory and begins settling the Authority’s debts, liabilities, and obligations using Authority Funds.
Day 99	Deadline for County and Municipal Parties to agree on whether to transfer services to County or a successor entity to the Authority.
Schedule below applies only to the standard procedure in Section 21.6.1	
Day 100	Executive Director issues first Asset Offers to Parties.
Day 150	Applicable Parties’ deadline to accept or decline first Asset Offer.
Day 150	The obligation to provide services is transferred to each Party for its geographic jurisdiction, unless County or successor entity has assumed services.
Day 151	Executive Director issues second Asset Offers to Parties.
Day 201	Applicable Parties’ deadline to accept or decline second Asset Offer.
After Day 201	Authority sells any Authority-Owned Asset(s) declined by the Parties, uses the proceeds to pay remaining debts and liabilities, and distributes any remaining funds to the Parties.

	The following applies to the standard procedure and both alternate procedures.
No later than 365 days all transfers, debts, and liabilities resolved	Certification and dissolution of the Authority.

Pursuant to this Article 21, the Authority will first pay its debts and liabilities from Authority Funds. Next, once those debts and liabilities are paid, or such funds are exhausted, the Authority will transfer title of any Authority-Owned Assets to the Parties pursuant and subject to Section 21.7 and Article 22. If an Authority-Owned Asset is not transferred to a Party, the Authority will sell that asset. The Authority will use the sale proceeds to pay any remaining debts and liabilities. Finally, the Authority will distribute any surplus sale proceeds and any remaining Authority Funds among the Parties as provided below.

The running of any Wind Down deadline will not be tolled, suspended, delayed, or extended due to the existence of any dispute, request for clarification, or pending arbitration or litigation, except as expressly provided in this Section 21.2. Notwithstanding the foregoing, if the Executive Director or the Authority fails to meet any Wind Down deadline that is applicable to the Executive Director or the Authority, then any deadline applicable to the Parties that is expressly triggered by, or cannot reasonably be performed without, timely completion of such missed obligation will be automatically tolled for a period equal to the duration of such failure (measured from the missed due date until the obligation is satisfied), and the Parties will not be deemed in default for the resulting delay. The Wind Down schedule and all deadlines in this Article 21 are intended to promote fairness, limit dispute, and ensure the orderly and continuous transfer of services and Authority-Owned Assets during Wind Down, and are not intended to be punitive. Pending resolution of any dispute, the Authority and all Parties will continue to perform in good faith and proceed with Wind Down in compliance with this Facilities Amendment, and no tolling will apply except as expressly provided above. For the avoidance of doubt, the Authority will not be considered dissolved until certification pursuant to Section 21.8 below confirms that all Authority obligations have been fully performed and satisfied.

21.3 Wind Down operations. During the Wind Down period, the Authority will continue to operate solely for the limited purposes of concluding its affairs, preserving continuity of services, and maintaining assets until such responsibilities are assumed by other entities. The Authority may not accelerate or expand any contracts or enter into new contracts for goods or services that are not required to perform the actions necessary for Wind Down. All actions related to the Wind Down of the Authority will be overseen by the Executive Director and must be completed no later than the applicable deadline specified in this Article 21, including the following:

21.3.1 Providing all Parties a final, comprehensive inventory of all Authority activities, actions, assets, debts, and liabilities;

21.3.2 Liquidating, assigning, or otherwise lawfully disposing of Authority assets, debts, and liabilities;

21.3.3 Assigning all contracts necessary to ensure continuity of services being performed by the Authority and concluding all contracts not necessary for such purpose; and

21.3.4 Transferring operational responsibility for System Waste management services, recycling programs, and other services to the applicable Party(ies).

21.4 Executive Director's Notice of Wind Down; inventory of assets. The Executive Director will promptly begin the process of winding down the Authority's operations, upon the occurrence of any of the following events: the Parties fail to extend the ILA pursuant to Section 4.2.1 thereof; the Authority is dissolved by court order; a petition for insolvency or assignment for the benefit of creditors is filed, or any other action that requires or results in the dissolution of the Authority; or the ILA expires or is terminated.

Upon beginning such process, the Executive Director will promptly issue a written "Notice of Wind Down" to all Parties in compliance with the Notices section of the ILA. Within forty-five (45) days after issuing the Notice of Wind Down, the Executive Director will provide all Parties a comprehensive inventory of all Authority activities, actions, assets (including, without limitation, any Authority-Owned Facilities and service contracts), physical address of such assets, reserve funds, debts, and liabilities ("Comprehensive Inventory").

21.5 Authority debt and liability. Pursuant to Article 12 of the ILA and Section 163.01(7)(b), Florida Statutes, the Authority's debts, liabilities, and obligations do not constitute the debts, liabilities, and obligations of the Parties. Accordingly, the Authority will use the following process to settle its own debts, liabilities, and obligations.

21.5.1 Use of Authority Funds to satisfy debt, liabilities, and obligations. Upon issuing the Comprehensive Inventory to the Parties, the Executive Director will begin overseeing the payment of the Authority's debts, liabilities, and obligations. Subject to Section 6.9 of the ILA, all outstanding debts, liabilities, and obligations of the Authority, including, without limitation, accounts payable, contractual obligations, retirement liabilities, and any other claims, will be satisfied using all available Authority Funds before any Authority-Owned Assets are sold for that purpose. Regardless of the status of the payment of such debts, liabilities, and obligations, the Authority will begin the Authority-Owned Asset distribution process pursuant to Section 21.7 below. Only after asset distribution as described in Section 21.7 is completed may the Authority satisfy any remaining debts, liabilities, and obligations by selling Authority-Owned Assets that are not transferred to any Party and using the proceeds as described in Section 21.7.1.6 below.

21.5.2 Bond-related debts. The Authority will resolve bond-related debts in accordance with the applicable bond documents.

21.6 Transfer of services. The orderly transfer of services in the event of Wind Down is of paramount concern to the Parties. Accordingly, the Parties hereby designate three (3) options for transferring System Waste management services, recycling programs, and other services previously administered by the Authority, each with its own method for dividing obligations and

the manner by which the transfer or sale of Authority-Owned Assets occurs: (a) the standard procedure where each Party provides services or contracts with third parties for the provision of services within each Party's geographic jurisdiction; (b) if County and sufficient Municipal Parties agree, these services would be provided by County; or (c) if County and sufficient Municipal Parties agree, these services would be provided by a successor entity.

The service transitions described in this section may proceed through interim operational agreements, licensing arrangements, and assignment of contracted services, notwithstanding that title transfer of Authority-Owned Assets may occur later pursuant to Section 21.7 below.

21.6.1 Standard procedure; transfer to Parties individually. No later than one hundred fifty (150) days after the Notice of Wind Down is issued, each Party will become responsible for the management of solid waste generated within that Party's geographic jurisdiction (for County, the unincorporated areas) and for determining how recycling and other services previously administered by the Authority will be managed and provided, including by establishing, maintaining, modifying, or discontinuing any programs or contracts it deems appropriate. The Authority will cooperate with each Party, as the applicable Party may agree, to:

21.6.1.1 Assign, amend, or novate relevant service agreements;

21.6.1.2 Transfer records, equipment, and other operational resources;

21.6.1.3 Provide support to facilitate continuity of service during the transition; and

21.6.1.4 Provide each Party with a full accounting of the Authority's customers, service zones, and applicable infrastructure within each such Party's geographic jurisdiction (for County, the unincorporated area).

Each Party will be individually responsible for ensuring uninterrupted service to its geographic jurisdiction (for County, the unincorporated area), and for securing or entering into appropriate service agreements, upon the transition of services from the Authority. All Authority-Owned Assets will be distributed pursuant to Section 21.7.1 of this Facilities Amendment.

21.6.2 Alternate procedure; transfer to County. As an alternative to the standard procedure described in Section 21.6.1 above, County and Municipal Parties representing at least fifty-one percent (51%) of the Municipal Parties' population and at least fifty-five percent (55%) of the total tonnage of all of Broward County may agree, within 99 days after issuance of the Notice of Wind Down, that County will assume operational responsibility for all of the System Waste management services, recycling programs, and other services previously administered by the Authority (the "SWA Services") as follows:

21.6.2.1 Within 60 days of after the Notice of Wind Down is issued, County may issue a non-binding letter to the Municipal Parties indicating its interest to provide the SWA Services (“Service Offer”);

21.6.2.2 If County issues a Service Offer, each Municipal Party may respond in writing to indicate its non-binding acceptance or rejection of County’s Service Offer; however, any Municipal Party that does not respond before the Board of County Commissioners votes, as referenced in subsection (c) below, will be deemed to have rejected County’s Service Offer;

21.6.2.3 The commencement date for County operational responsibility or the SWA Services will be provided for in the agreement between County and each of the applicable Municipal Parties; however, the commencement date may be extended by written notice from the Executive Director should that date interfere with other elements of Wind Down of the Authority; and

Upon receipt of County’s written notice that it will provide the services and documentation of the relevant Municipal Parties’ agreement, (a) the Authority will coordinate with County to transfer all operational functions, service contracts, Authority-Owned Assets, other equipment, customer data, and financial resources necessary to ensure an uninterrupted transition of the services to those Municipal Parties; (b) the Authority will retain interim custody and continue operations of those services until the transfer is effectuated; and (c) the Authority-Owned Assets associated with the performance of such services will be transferred to County pursuant to Section 21.7.2 below as part of the transition described above.

21.6.3 Alternate procedure; transfer to successor entity. As an alternative to the standard procedure in 21.6.1 above, if, within 99 days after the issuance of the Notice of Wind Down, both the Board of County Commissioners and municipal governing bodies representing at least fifty-one percent (51%) of the total population of the Municipal Parties and at least fifty-five percent (55%) of the total tonnage of Broward County, establish or designate a successor entity to provide the SWA Services, the Authority will cooperate with the successor entity to ensure continuity of operations, including, without limitation, the transfer of the applicable contracts, assets, and liabilities to that successor entity. The Authority will not transfer any such contracts, assets, or liabilities to a successor entity unless such transfer has received formal approval by both the Board of County Commissioners and the elected bodies of the requisite Municipal Parties. If the approvals described above are obtained, the transfer of any Authority-Owned Assets to the successor entity will proceed pursuant to Section 21.7.2 hereof.

21.7 Disposition of Authority-Owned Assets. During Wind Down, all Authority-Owned Assets (including, without limitation, any Authority-Owned Facilities and reserve funds) will be distributed as provided in this section and in a manner that ensures continued public benefit,

honors the source and purpose of such funds and assets, and recognizes operational control and jurisdictional authority over the related services.

Regardless of whether all available Authority Funds have been expended pursuant to Section 21.5.1 above, the Authority will work cooperatively with each recipient Party to undertake due diligence and execute all necessary deeds, bills of sale, assignments, and other instruments to lawfully effectuate the transfers described below, including, without limitation, provision for maintenance, insurance, and replacement planning.

21.7.1 Standard procedure; transfer to Parties individually. Notwithstanding anything to the contrary in in the ILA, if operational responsibility for the provision of System Waste management services, recycling programs, and other services previously administered by the Authority is not transferred to either County as provided in Section 21.6.2 above or a successor entity as provided in Section 21.6.3 above, this Section 21.7.1 will govern the disposition of Authority-Owned Assets and reserve funds.

21.7.1.1 Proposed asset offers. At any time after the issuance of the Comprehensive Inventory, any Party may submit to the Executive Director a written proposal identifying the Authority-Owned Asset(s) the Party asserts a right to acquire, together with the factual and legal basis for that assertion under this Facilities Amendment.

21.7.1.2 Asset offer process. On the one hundredth (100th) day after the Notice of Wind Down is issued, and not earlier, the Executive Director will send each Party a written offer listing the Authority-Owned Assets that the Party may take ownership of (“Asset Offer”) pursuant to Section 21.7.1.4, below, subject to the following procedures:

21.7.1.2.1 Each Party will review the Authority-Owned Assets and give written notice of its decision to accept or decline ownership within fifty (50) days after issuance of the Asset Offer. This deadline applies only to the election to accept or decline. It does not apply to completing the legal transfer. If a Party does not give written acceptance within fifty (50) days, the Party is deemed to have declined the transfer.

21.7.1.2.2 After that fifty (50) day period ends, the Executive Director will send County a second Asset Offer for all Authority-Owned Assets not accepted by any Municipal Party. County has fifty (50) days after receipt to accept or decline in writing.

21.7.1.3 Asset Offer; required contents. The Executive Director will include the following information in each Asset Offer: (a) the location of the Authority-Owned Asset; (b) the type of asset; (c) if applicable, the most recent System Facility Report (defined below); (d) if applicable, the most recent permitting, licensing, or other regulatory documents; (e) a statement of the operational and environmental

condition of the Authority-Owned Asset; (f) any known liabilities associated with the Authority-Owned Asset; (g) if applicable, a statement of the specific reserve balances associated with the Authority-Owned Asset; (h) if known, an estimate of the costs of any necessary repairs; and (i) any other documents in the Authority's possession related to the maintenance and status of the Authority-Owned Asset. If any applicable, required content of an Asset Offer is omitted, the applicable Party's deadline to provide written notice of its decision to accept or decline ownership will be tolled until the Authority provides such missing content.

21.7.1.4 *Regional Assets.* Notwithstanding anything else stated in this Facilities Amendment, each Authority-Owned Asset listed below (each a "Regional Asset") will first be offered, subject to the provisions of Article 22, to County and then, if not accepted by County, to Municipal Parties following the procedure stated in Section 21.7.1.5 for non-Regional Assets:

21.7.1.4.1 any "solid waste disposal facility," as defined in Section 403.703, Florida Statutes (2022) including, without limitation, any plant, material property, or equipment associated with such facility;

21.7.1.4.2 any "transfer station," as defined in Section 403.703, Florida Statutes (2022), materials recovery facility, or property that County elects to use in connection with County's obligations under Section 403.706(1), Florida Statutes;

21.7.1.4.3 any Authority-Owned Facility used for the management, collection, disposal, processing, recycling, storage, or transfer of storm debris that County elects to use in connection with County's obligations under Section 403.706(1), Florida Statutes; and

21.7.1.4.4 any non-monetary Authority-Owned Asset the ownership of which was transferred from County.

Any election made by County pursuant to this section will automatically be presumed valid if County provides a proposed asset offer pursuant to Section 21.7.1.1. above, subject to the dispute resolution process of section 17.1 of the ILA.

21.7.1.5 *Authority-Owned Assets other than Regional Assets.* For all non-monetary Authority-Owned Assets that are not Regional Assets (and for Regional Assets that County chooses not to exercise its first option pursuant to Section 21.7.1.2), that are, as of the date the Notice of Wind Down is issued, located within the geographic jurisdiction of a Party (for County, the unincorporated areas), such asset will be offered, subject to Article 22, to that Party. If such Authority-Owned Asset is physically located within the geographic jurisdiction of more than one Party (e.g., two (2) Municipal Parties or a Municipal Party and unincorporated Broward County), such property will be first offered, subject to Article 22, to the multiple

Parties for joint ownership by the applicable Parties; and if any such Party declines the transfer, the asset will be offered, subject to Article 22 to the other Party (or Parties) with geographical jurisdiction over the property. If all Parties to which an asset is offered decline to accept the asset, the asset will then be offered, subject to Article 22 to County and then to the other Municipal Parties.

21.7.1.6 *Tangible Personal Property of the Authority.* For such Authority-Owned Assets that constitute tangible personal property (i.e., not real property or Authority Funds), such as hauler vehicles or railcars, ownership will be allocated among the Parties in a proportionate and equitable manner based on the aggregate fair market value of such assets, taking into account both the number and condition of the assets.

21.7.1.7 Notwithstanding the foregoing, any non-monetary Authority-Owned Asset whose ownership was transferred to the Authority by a Municipal Party or County will be returned to the originating Party at no cost.

21.7.1.8 The foregoing requirements will also apply to any Authority-Owned Asset in which the Authority has an interest through a joint venture, public-private partnership, or other joint ownership model.

21.7.1.9 If any Authority-Owned Asset may not be distributed to any of the Parties in compliance with the procedures in this section due to requirements contained in applicable bond or other secured debt instruments, the Executive Director will provide the Parties with written notice as early as possible.

21.7.1.10 Any System Facility, or other element of the System, that is owned in fee simple by a Municipal Party or by County will not be considered an Authority-Owned Asset and will be retained by such Party.

21.7.1.11 *Sale of Authority-Owned Asset(s) declined by the Parties; application of sale proceeds.* After the Authority-Owned Asset distribution process is completed, any Authority-Owned Assets not transferred to a Party will be sold by the Authority on commercially reasonable terms following a commercially reasonable process. Nothing in this Facilities Amendment prohibits any Party from participating in this process the same as any non-Party, and any acquisition pursuant this process will not be subject to Article 22. The sale will be conducted through a competitive process determined by the Executive Committee, unless the Executive Committee, by a two-third (2/3) vote which must include County's representative, determines that an alternative process is appropriate, commercially reasonable, and in the public interest. The Authority will apply the net proceeds of any such sale first to satisfy any outstanding debts, liabilities, or other obligations of the Authority associated with the sold asset and any remaining unpaid debts, liabilities, and obligations of the Authority.

21.7.1.12 *Reserve funds; surplus Authority Funds and sale proceeds.* Reserve funds that are expressly designated for maintenance, repair, rehabilitation, replacement, or closure of a specific Authority-Owned Asset, and that are not expended pursuant to Section 21.5 above, will be transferred with the associated asset if, and solely to the extent that, such asset is transferred to one or more of the Parties. Such reserve funds will not transfer in connection with the sale of an Authority-Owned Asset to any third party.

Any surplus proceeds and any remaining Authority Funds not expended to satisfy the outstanding debts, liabilities, or other obligations of the Authority will be distributed among the Parties on a pro rata basis based on the most recent certified population estimates (for County, the unincorporated area) published by the Bureau of Economic and Business Research – University of Florida or other reasonable population data source selected by the Governing Board, subject to Section 6.9 of the ILA.

21.7.2 Alternate procedure if Authority operations are transferred to County or successor entity. Notwithstanding anything to the contrary in herein, if all of the SWA Services are transferred to County or to a successor entity pursuant to Section 21.6.2 or 21.6.3 above, the applicable Authority-Owned Assets (including, without limitation, Authority-Owned Facilities) and reserve funds associated with the assumed services, assets, and facilities will be transferred to the successor entity or to County, as applicable, and will not be subject to Article 22 below.

21.8 **Other distributions and transfers; certification of dissolution.** During Wind Down, the Executive Committee will act as a transition committee to oversee the final disposition of any assets and other details of Wind Down not expressly addressed by this Facilities Amendment or the ILA (including, without limitation, Section 6.9 thereof). Final disposition of any Authority-Owned Asset or other unaddressed detail will require the affirmative vote of: (a) a majority of the Municipal Parties’ representatives on the Executive Committee; and (b) County’s representative. Resolutions of disputes will follow the procedures described in Article 17 of the ILA. Upon the satisfactory completion of all Wind Down activities in compliance with the above and all applicable law, the Executive Director, the Chair, and the Vice-Chair of the Executive Committee, and the Chair and the Vice-Chair of the Governing Board, will certify in writing that all obligations have been resolved. Upon execution of such certification, the Authority will be deemed dissolved and all legal authority and operational responsibilities of the Authority will terminate.

7. A new Article 22 entitled “**OBLIGATIONS OF THE PARTIES AFTER WIND DOWN**” is hereby added to read as follows:

ARTICLE 22. OBLIGATIONS OF THE PARTIES AFTER WIND DOWN

22.1 **Purpose.** The Parties wish to ensure that any Authority-Owned Asset distributed due to the Authority’s Wind Down continues to serve a regional benefit after Wind Down. Accordingly, the Authority will ensure that the obligations set forth in this Article 22 are incorporated into deed

restrictions recorded at the time such property is transferred, and that such deed restrictions clearly identify the Parties and any other entities that may enforce them.

22.2 Obligation to continue operations. To ensure that Authority-Owned Assets transferred to a Party continue to serve a public purpose after Wind Down, each Party that exercises its right to accept the transfer of an Authority-Owned Asset pursuant to Section 21.7.1.4 or 21.7.1.5 (“New Owner”), accepts such asset subject to the beneficial ownership and rights of the Parties set forth herein. Except as expressly provided for in this Article, the New Owner must operate each transferred asset for its then-existing purpose, or a related purpose that the Authority was authorized to perform or contract, for five years (“Transition Period”). If the transferred asset is an Authority-Owned Facility, it must be operated for its then-existing purpose or a related solid waste purpose during the Transition Period. The New Owner must operate or contract for the operation of the asset responsibly and in a commercially reasonable manner during the Transition Period. Nothing in this section prohibits the New Owner from expanding, improving, upgrading, or modernizing the asset, or from adding compatible uses, provided that such actions do not materially impair the asset’s ability to serve its existing purpose during the Transition Period. If, at any time during the Transition Period, the New Owner elects to cease operating the asset for its prior purpose or for a related solid waste purpose that the Authority was authorized to perform or contract for, and instead elects to use it for a purpose unrelated to solid waste, the Transition Period as to that asset will terminate and the New Owner must pay the value of or sell the asset in accordance with the procedures stated in Section 22.4. The New Owner may at any time end the Transition Period as to any asset that was transferred to it and pay the value of or sell the asset in accordance with the procedures stated in Section 22.4. All Parties agree that any such election will not be grounds for any claim of a fraudulent or improper transfer to the New Owner.

Except as expressly provided for in this Article, the New Owner will not sell, lease, or otherwise transfer the asset during the Transition Period. For avoidance of doubt, this restriction does not prohibit contracts for operation, maintenance, or management that do not convey any ownership interest. Subject to the obligations in Section 22.3. below, and notwithstanding anything to the contrary in any other provision of this Facilities Amendment, the New Owner will have final authority to establish and modify rates, fees, and charges for services provided using the asset.

22.3 Obligation to provide fair fees to contributing Parties. To ensure that the Parties and their residents and businesses receive a fair financial benefit from assets their residents or businesses helped fund, the following applies to any New Owner that acquires an Authority-Owned Asset and uses that asset to provide fee-based solid waste services:

22.3.1 If the Authority previously operated the asset in a manner that provides lower fees to the Parties as compared to other users, the acquiring Party must continue a substantially similar fee arrangement during the Transition Period to benefit the Parties.

22.3.2 If the Authority did not operate the asset to provide lower fees to the Parties as compared to other users, but the Authority-Owned Asset was purchased or constructed using funds directly contributed by the Parties or collected through special assessment or

fees paid by the Parties or their residents or businesses, users receiving services for solid waste generated within a Party's jurisdiction will receive a credit against the fees charged for use of the asset during the Transition Period. The amount of the credit will be determined by the Authority's independent auditor, on a pro rata basis based on each Party's documented capital contributions relative to the asset's total capital cost, subject to approval by the Executive Committee pursuant to Section 21.8 above. The credit may be in the form of: (a) a uniform per-ton (or per-load) fee discount; (b) an annual service credit applied to invoices; or (c) if (a) or (b) are not practical, such other benefit as approved by the Executive Committee pursuant to Section 21.8 above that is consistent with the findings of the Authority's independent auditor. The credit will be applied to the fees otherwise payable for use of the asset. Notwithstanding the foregoing, the annual aggregate credit amount may not equal or exceed the acquiring Party's annual cost to operate the asset. In addition, no credit is required if the Authority's independent auditor determines that the aggregate annual benefit to all Parties and their residents or businesses would be less than one percent (1%) of the aggregate annual fees otherwise payable for services using the asset. If the New Owner fails to comply with subsection 22.3.1 or 22.3.2 above, the New Owner will have fifteen (15) days after written notice to cure such noncompliance. Any cure will include retroactive refunds or credits, as applicable, sufficient to place affected Contributing Parties and their residents or businesses in the same financial position they would have been in had the required fees or credits been properly applied when due. If the New Owner fails to cure within the fifteen (15) day period, then the Parties may bring a dispute pursuant to Section 17.1 of the ILA.

22.4 Obligation to Pay For Or Sell Asset Upon Expiration of Transition Period. At any time during the Transition Period, but no later than the expiration or earlier termination of the Transition Period, the New Owner will: (a) within 90 days after such election or expiration or earlier termination, as applicable, pay to the other Parties the then-current fair market value of the Authority-Owned Asset, taking into account the value of any reserve funds transferred by the in connection with the Authority-Owned Asset, as determined by an MAI appraiser or another appraiser with appropriate credentials and experience; or (b) promptly use its best efforts to sell the asset through a commercially reasonable, competitive sales process consistent with the New Owner's then-existing regulations for the disposition of that Party's property and in accordance with applicable Florida law. The appraised value (if the New Owner elected to continue ownership) or net sales proceeds (if the New Owner elected to sell the property), will be paid by the New Owner to all Parties on a pro rata basis based on the most recent certified population estimates (for County, the unincorporated area) published by the Bureau of Economic and Business Research – University of Florida or other reasonable population data source selected by the New Owner. Net sale proceeds will be the gross proceeds of the sale, less costs of sale and adjustments for any credits or prorations at the closing.

8. A new Article 23 entitled "**SYSTEM FACILITIES: INSPECTIONS, REPORTING, AND TECHNICAL REVIEW**" is hereby added to read as follows:

**ARTICLE 23. SYSTEM FACILITIES:
INSPECTIONS, REPORTING, AND TECHNICAL REVIEW**

23.1 **Purpose.** The Parties recognize that solid waste and recycling services are essential public functions that depend on many System Facilities, each of which takes years to plan and construct and decades to fund, maintain, and operate through sustained collaboration. For that reason, the Parties hereby establish the following framework to maintain a safe, resilient, and compliant System that meets current and future needs, while reinforcing a strong, accountable, and enduring collaboration among the Parties.

23.2 **Inspection rights.** Upon any Party's written request to inspect any Authority-Owned Facility, the Authority will provide such Party, and Party's contractor(s), with access to the applicable Authority-Owned Facility within a reasonable time after receiving such request, provided that such access will not be unreasonably withheld, conditioned, or delayed. The Authority may condition such access on the requesting Party and its contractor(s) executing a reasonable release or indemnification agreement in favor of the Authority. The purpose of such inspection is to evaluate the operation and condition of the Authority-Owned Facility, including any equipment or infrastructure onsite. In addition, upon reasonable prior notice to the Authority, any Party may observe, monitor, and verify compliance with Flow Control Ordinances and other flow control obligations contained in the Master Plan or Article 11 of the ILA by tracking or following Hauler vehicles while transporting System Waste to System Facilities, provided that such observation will be conducted in a lawful manner, without interfering with Hauler operations, and in coordination with any reasonable safety or security protocols established by the Authority or the applicable System Facility operator. The Authority will cooperate in good faith with such verification efforts and will, upon request, provide available routing, delivery, or scale data reasonably necessary to confirm adherence to flow control requirements. The results of any inspection or verification constitute a public record, subject to any applicable legal exemptions or confidentiality restrictions.

23.3 **System facility report.** The Authority will ensure that the System can reliably manage all System Waste it is obligated to handle, and can maintain continuity of service, by evaluating the System Facilities' and the System's overall capacity and operational resiliency (each, a "System Facility Report"). A System Facility Report may be conducted at any time. However, the Authority must complete a System Facility Report within eighteen (18) months prior to the end of any Term of the ILA and, to the extent practicable, within eighteen (18) months prior to the initiation of Wind Down, in compliance with the following:

23.3.1 At a minimum, each System Facility Report will include:

23.3.1.1 System Facility capacity versus projected tonnage. A comparison of constructed and permitted System Facilities' capacity to projected System Waste tonnage over a reasonable planning horizon. The System Facility Report will identify any capacity shortfalls or constraints.

23.3.1.2 Authority-Owned Facility conditions. For each Authority-Owned Facility (whether or not operated by the Authority), an evaluation of its operational condition and environmental status, including, at a minimum, structural conditions; mechanical, electrical, and operational systems conditions; preventive and corrective maintenance status; remaining useful life of major systems and of each facility as a whole; and identification of any deferred maintenance or capital-repair needs. The System Facility Report will also include an analysis of the Authority's operation of each Authority-Owned Facility, identifying any level of throughput, collection, disposal, processing, recycling, storage, or transfer, as applicable, that is below commercially reasonable levels when compared to such facility's design capacity, the capacity authorized by applicable permits and licenses, or applicable industry standards.

23.3.1.3 Contracted facility capacity. Confirmation of the quantity, term, and enforceability of all firm contracted capacity available through the System. The System Facility Report will include a determination of whether such contracted System Facility capacity satisfies projected System Waste needs.

23.3.1.4 Contingency services. An assessment of contingency System Waste management services available to the Parties. The System Facility Report will include alternative facilities, redundancy, emergency arrangements, and surge capability for disaster debris or other extraordinary events.

23.3.2 Any System Facility Report used for Wind Down must contain information that is no more than eighteen (18) months old at the time Wind Down begins. In addition, no later than thirty-six (36) months before the end of any Term of the ILA, the Authority shall begin the process of preparing the System Facility Report, including deciding whether it will be prepared by Authority staff or a consultant and initiating any required procurement process.

23.3.3 The Authority must ensure that the System Facility Report final document includes concise findings and recommendations that are easily understood by a lay audience.

23.3.4 Within ten (10) days after completion, the Authority will provide each completed System Facility Report to all Parties and publish it on the Authority's public website.

The results of each System Facility Report will be used to supplement any Asset Offer issued during Wind Down and may be used to inform, support, or evaluate any proposed amendment to the Master Plan (including any amendment relating to System Facilities, contracted services, flow control, or rate and fee structures).

23.4 County's right to technical review of matters relating to its statutory obligation to provide access to solid waste disposal capacity. To ensure County's ability to meet its statutory obligation to provide access to solid waste disposal capacity throughout the incorporated and unincorporated areas of Broward County is not being impeded, County may, in County's sole

discretion and at County's expense, retain an expert to conduct audits, inspections, interviews, or evaluations related to System performance, capacity, compliance, planning, and future needs (each, a "County Technical Review"), as set forth below.

23.4.1 Scope of review. A County Technical Review may only address: (a) Authority operations at any Authority-Owned Facility; (b) the sufficiency of Authority plans, forecasts, and assumptions to meet projected solid waste management needs over a reasonable planning horizon; (c) vendor performance, the Authority's contract administration, and cost controls affecting the System; and/or (d) matters that have, or may in the future have, a material impact on County's statutory obligation to provide access to solid waste disposal capacity.

23.4.2 Authority cooperation. The Authority will cooperate fully with any County Technical Review. The Authority will provide County and County's expert reasonable access, during normal business hours and upon reasonable notice, to all relevant records, data, contracts, reports, and other documents. The Authority will also provide reasonable access to Authority-Owned Facilities and other locations under the Authority's control used for System purposes. The Authority will make Authority personnel available for interviews and reasonable information requests.

23.4.3 Recommendations; Governing Board presentation. County may present the results of a County Technical Review and any recommended corrective actions or other measures ("County Recommendations") to the Governing Board. If County elects to present County Recommendations, the Governing Board will hear the presentation within sixty (60) days after County's request to present, subject to the following procedures:

23.4.3.1 The Governing Board will vote to approve, approve with modifications, or reject County Recommendations no later than thirty (30) days after the presentation.

23.4.3.2 If the Governing Board approves County Recommendations, or approves them with modifications, the Authority will implement them within the time stated.

23.4.3.3 If the Governing Board does not approve any County Recommendation that relates to County's ability to meet its statutory obligations contained in Section 403.706(1),F.S. (or does not hear such County Recommendations or vote within the time required above), County may invoke the informal dispute resolution process under Section 17.1 of the ILA and, if not resolved, through that procedure, County may submit the dispute to binding arbitration.

23.4.4 Arbitration; standard of review. The standard of review in arbitration is whether, based on the totality of circumstances, the Authority has reasonably fulfilled its obligations for the services it has undertaken or agreed to provide by satisfying the following criteria

in a manner that does not materially impair County's ability to meet any of its statutory solid waste management obligations:

23.4.4.1 All standards and required levels of service stated in the Master Plan, as may be amended in accordance with the terms of the ILA; and

23.4.4.2 For any service the Authority has agreed or is obligated to perform, a level of service sufficient to:

23.4.4.2.1 Meet the Parties' current and reasonably projected needs for System Waste management in full compliance with all applicable laws, permits, industry standards; and

23.4.4.2.2 Ensure the continuous management of all System Waste and any other solid waste lawfully accepted into the System, including its transfer, processing, recycling, and disposal, and to secure prompt substitute services in the event of an emergency, disaster, or facility shutdown consistent with reasonable contingency planning practices.

23.4.4.2.3 Temporary interruptions resulting from prudent repair and maintenance activities, or as a result of force majeure (i.e., an event beyond the Authority's reasonable control) will not be deemed a failure to meet this standard. Notwithstanding the foregoing, a material interruption caused by inadequate planning, staffing, resourcing, contracting, preventive maintenance, other operational oversight, willful or negligent action or omission, or lack of reasonable diligence will constitute a failure to meet the standard.

23.4.4.3 Each of the foregoing requirements constitutes an enforceable contractual obligation of the Authority. The arbitrator(s) will have full authority to order and direct the Authority to perform such obligations and to award any relief authorized by law or equity in connection with the dispute, including, without limitation, relief available under Articles 15 and 17, including Section 17.5, of the ILA; provided, however, that the arbitrator(s) may not impose on the Authority any new obligations not otherwise imposed by applicable law, require the Authority to undertake the performance of any services not part of the Master Plan (as may have been amended pursuant to the provisions of the ILA), or to require the planning, financing, or construction of new Authority-Owned Facilities.

23.4.5 Selection of arbitrators. County and the Authority will mutually agree on an arbitrator. If County and the Authority are unable to agree to a single arbitrator, County and Authority will each select an arbitrator, and the two arbitrators will select a third arbitrator. Costs of arbitration will be shared on an equal basis between County and the Authority.

23.4.6 Reservation of rights. County's exercise of its rights under this Section 23.4, or County's decision not to exercise such rights in any instance, will not be deemed a waiver of any right or remedy of County under the ILA or applicable law. No waiver will be deemed effective unless in writing and signed by County.

9. A new Article 24 entitled "**MAXIMUM SERVICE CHARGES**" is added to the ILA to read as follows:

ARTICLE 24. MAXIMUM SERVICE CHARGES

24.1 Purpose. The Parties agree that cost control and transparency are essential to the long-term success of the System, and that no Party should face material rate increases without clear notice and broad consensus. Accordingly, the Parties hereby establish the following procedures to protect affordability, prevent sudden cost increases, and provide the Parties additional resources to manage System-related costs.

24.2 Limitation on service charges; Master Plan amendments impacting costs.

24.2.1 Maximum service charges. In no event will the amounts paid by any Party, or by any Party's residents or businesses, for initial services identified in the Master Plan that are provided by, or through, the Authority exceed the maximum amounts set forth in the Master Plan (the "Maximum Service Charges"). The Maximum Service Charges for those services may be increased only in accordance with the index or other adjustment mechanism stated in the Master Plan or established by the Governing Board upon adoption of the Master Plan, which index or adjustment mechanism must merely address customary annual cost adjustments for provided services as well as adjustments occasioned by emergencies or circumstances outside the control of the Authority (the "Adjustment Index").

24.2.2 Master Plan amendments increasing costs. Any amendment to the Master Plan or adoption of a replacement Master Plan is a "Cost Increase Amendment" if it would: (a) increase costs to the Parties or their residents or businesses above the Maximum Service Charges for the initial services, as modified by the Adjustment Index; (b) change, replace, or modify the Adjustment Index; or (c) provide for new service or technology that would increase the cost paid by any Party or that Party's residents or businesses above the Maximum Service Charges (as modified by the Adjustment Index).

24.2.3 Cost Increase Amendment procedures. A Cost Increase Amendment is effective only if approved in compliance with the following process. First, the Executive Committee must recommend approval of the Cost Increase Amendment by majority vote, including the affirmative vote of County's representative. Second, at a meeting of the Governing Board held at least forty-five (45) days after the Executive Committee's vote, the Cost Increase Amendment must be approved by: (a) the members of the Governing Board representing Municipal Parties comprising at least two-thirds (2/3) of the total population of the Municipal Parties; and (b) County's representative to the Governing Board.

24.3 Facility and service price review. As an exhibit or appendix to the Master Plan, the Authority will provide a required process by which the Authority periodically retains a qualified expert with experience in solid waste and recyclable materials pricing and market analysis to conduct a rate and fee competitiveness study. The results of such study may be used to inform, support, or evaluate any proposed amendment to the Master Plan or service agreement, including any adjustment to rates, fees, Maximum Service Charges, or other pricing provisions.

10. Section 6.2.4. entitled “Approvals” is hereby amended to include new language (as provided by underlines) as follows:

6.2.4. Approvals. Subject to Sections 6.8 and 7.1, the Governing Board may take official action only if: there is a quorum; the action is supported by an affirmative vote of a majority of the representatives present that are eligible to vote; and the action is also supported by the affirmative vote of members representing a majority of the Broward Tonnage of those members that are present and eligible to vote. Alternate members of the Governing Board will count towards quorum only when they are serving as voting members.

11. Section 6.5.1. entitled “Quorum” is hereby amended to include new language (as provided by underlines) as follows:

6.5.1. Quorum. A quorum of the Governing Board will be a majority of the total voting members, provided that the members comprising the quorum must represent at least one-half (1/2) of the Broward Tonnage. With respect to the Executive Committee, a quorum will be a majority of the total members voting members, provided that the members comprising the quorum must represent at least one-half of the Broward Tonnage of those Municipal Parties that are members of the Executive Committee. A quorum of the TAC will be a majority of the total voting members of TAC. Unless otherwise authorized by the Governing Board, the Executive Committee, or the TAC, as applicable, a quorum is determined on the basis of physical attendance. If there is a quorum, all members may vote regardless of whether they are attending the meeting physically or via remote conferencing technology.

12. The reference to Section 6.2.3, in Section 7.1.2.2 entitled “Adoption of Other Amendments to Master Plan,” is hereby corrected to read “Section 6.2.4.”

13. All other provisions of the ILA remain in full force and effect.

14. **Facilities Amendment Effective Date; Counterparts and Multiple Originals.** This Facilities Amendment will be deemed effective on the first business day after it has been executed by: (i) Municipal Parties representing eighty percent (80%) of the population of the Municipal Parties to the ILA; and (ii) County (“Facilities Amendment Effective Date”). The Facilities Amendment may be executed in multiple originals, and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement. Notwithstanding the foregoing, this Facilities Amendment shall not become effective unless the Governing Board has first adopted a Master Plan in full compliance with the ILA. The Facilities Amendment does not alter, increase, or reduce the powers of the Authority and, once effective, may only

be modified in compliance with Article 16 of the ILA. The Facilities Amendment may be executed in multiple originals, and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Facilities Amendment on the respective dates under each signature on behalf of each Party to this Facilities Amendment, signing by and through its Mayor or Vice-Mayor, authorized to execute same by action of its elected body.

EXECUTIVE SUMMARY OF FACILITIES AMENDMENT

Major sections of the Facilities Amendment are summarized below:

1. Section 2 of the Facilities Amendment, defines “Authority Funds,” “Authority-Owned Assets,” “Authority-Owned Facilities,” and “System Facilities,” distinguishing money from physical assets and facilities.
2. Section 5 of the Facilities Amendment creates a new ARTICLE 20 entitled AUTHORITY-OWNED FACILITIES: APPROVAL, LIMITATIONS ON OWNERSHIP AND POST-WIND DOWN CONSIDERATIONS
 - a. Authorizes Limited Types of Authority-Owned Facilities without further amendment of the ILA, the Authority may own/operate:
 - i. Transfer stations
 - ii. Permanent drop-off centers
 - iii. Broadly defined recycling and recovery facilities (but not landfills or waste-to-energy plants).
 - b. Any ownership of other “solid waste management facilities” without proper ILA amendment is a material breach.
 - c. Confirms individual Parties can still own and operate their own facilities and contract with the Authority.
3. Section 6 creates a Detailed Wind Down Framework in a new Article 21.
 - a. Establishes triggers for Wind Down (e.g., ILA expiration, court dissolution, insolvency).
 - b. Sets a Wind Down schedule (notice on Day 0, inventory by Day 45, decision on successor by Day 99, asset offers starting Day 100, Party service responsibility by Day 150, completion within 365 days).
 - c. Confirms Authority debts/liabilities remain those of the Authority alone; they are first paid from Authority Funds, then from sale of any remaining assets.
 - d. Provides three options for post-Wind Down service provision:
 - i. Standard Procedure: each Party takes responsibility for its own solid waste and recycling services.
 - ii. Alternate Procedure: transfer to County, if County and Municipal Parties representing at least fifty-one percent (51%) of the Municipal Parties’ population and at least fifty-five percent (55%) of the total

tonnage of all of Broward County agree, County assumes all Authority services.

iii Transfer to a successor entity: if County and Municipal Parties representing at least fifty-one percent (51%) of the Municipal Parties' population and at least fifty-five percent (55%) of the total tonnage of all of Broward County approve a new or designated successor entity, successor entity assumes all Authority services.

e. Lays out a detailed asset disposition process:

i Parties may propose claims to assets.

ii Structured "Asset Offers" to Parties:

- First round to County for "Regional Assets" and to Municipal Parties for non-Regional Assets.
- Second round to County for non-Regional Assets not claimed by Municipal Parties and to Municipal Parties for Regional Assets not claimed by County.
- Remaining assets are sold commercially; proceeds used to pay remaining debts, then distributed to Parties.

iii "Regional Assets" (e.g., disposal facilities, key transfer stations, storm debris facilities, and assets originally owned by County) are first offered to County.

iv Non-regional assets (e.g., drop-off centers, recovered materials processing facilities, pyrolysis, composting, yard waste processing, etc.) are first offered to the Party in whose jurisdiction they sit (or to multiple Parties for joint ownership if geographically shared).

v Tangible personal property (vehicles, equipment) is allocated fairly based on value and condition.

vi Assets originally contributed by a Party are returned to that Party at no cost.

vii Reserve funds tied to a particular asset transfer with that asset (to Parties, not to third-party buyers).

viii Any remaining Authority Funds or surplus sale proceeds are distributed to Parties pro rata by population.

f. If all services are transferred to County or a successor entity, related assets and reserves go with that entity and are exempt from post-Wind Down restrictions in Article 22.

4. Section 7 creates a new Article 22 that Imposes Post-Wind Down Obligations on Parties receiving Authority-Owned Assets.

- a. Assets transferred to a Party (“New Owner”) carry deed restrictions:
 - i For five years (“Transition Period”), the New Owner must operate the asset for its existing or a related solid waste purpose, run it responsibly, and generally may not sell or transfer it (other than operational contracts).
 - ii Fee obligations:
 - If the Authority previously gave Parties discounted rates at the facility, the New Owner must maintain substantially similar discounts during the Transition Period.
 - If the facility was funded with Party-contributed money or assessments, the New Owner must provide pro rata fee credits to users from the contributing Parties, subject to limits so credits do not exceed the asset’s operating cost and are not required if the financial benefit is de minimis.
 - b. Early or end-of-Transition Period exit. At any time during or at the end of the Transition Period, the New Owner must either:
 - i Pay other Parties the fair market value (FMV) of the asset (with reserves considered), as set by a qualified appraiser; or
 - ii Sell the asset via a competitive, lawful process and distribute net proceeds pro rata by Party population.
 - c. These obligations are enforceable via deed restrictions and ILA dispute procedures.
5. Section 8 of the Facilities Amendment creates Inspection, Reporting, and Technical Review Framework in a new Article 23.
- a. Parties may request and obtain inspections of Authority-Owned Facilities, subject to reasonable conditions.
 - i Parties may monitor compliance with flow control by observing haulers and obtaining routing/scale data.
 - b. The Authority must periodically prepare “System Facility Reports” will include at a minimum:
 - i Facility capacity vs. projected tonnage.
 - ii Condition and environmental status of each Authority-Owned Facility, including deferred maintenance and throughput vs. design capacity and industry standards.
 - iii Contracted capacity sufficiency.
 - iv Contingency capacity (backup facilities, disaster debris, etc.).

- c. Reports must include clear, lay-friendly findings, be distributed to Parties, and be posted publicly. They inform Wind Down Asset Offers and Master Plan amendments.
 - d. County may commission and pay for its own “County Technical Reviews” (audits, inspections, analyses) concerning matters relating to its statutory obligation to provide access to solid waste disposal capacity:
 - i Authority operations at Authority-Owned Facilities.
 - ii Planning and capacity to meet future needs.
 - iii Vendor performance, contract administration, cost control.
 - iv Any matter materially affecting County’s statutory duty to provide access to disposal capacity.
 - e. If the Governing Board rejects County’s technical recommendations related to County’s statutory obligations, County may use informal dispute resolution and, if needed, binding arbitration. Arbitrators can order the Authority to meet its contractual service standards but cannot force new services or new facility construction.
6. Section 9 of the Facilities Amendment creates a new Article 24 that Imposes Maximum Service Charge Protections.
- a. Establishes “Maximum Service Charges” for initial Authority-provided services, as defined in the Master Plan.
 - b. Charges may only exceed those maximums through:
 - i The Master Plan’s predetermined index/adjustment mechanism for normal cost growth and emergencies, or
 - ii A formally adopted “Cost Increase Amendment.”
 - c. A “Cost Increase Amendment” is any Master Plan change that:
 - i Raises costs above Maximum Service Charges (as adjusted),
 - ii Modifies the adjustment index, or
 - iii Adds new cost-increasing services/technologies for Parties or their residents.
 - d. Cost Increase Amendments require:
 - i Executive Committee majority, including County’s affirmative vote; then;
 - ii Second, at a meeting of the Governing Board held at least forty-five (45) days after the Executive Committee’s vote, the Cost Increase Amendment must be approved by:

- (a) the members of the Governing Board representing Municipal Parties comprising at least two-thirds (2/3) of the total population of the Municipal Parties; and
 - (b) County's representative to the Governing Board.
 - e. The Master Plan must include a periodic, expert-conducted rate/fee competitiveness study to inform pricing and amendments.
- 7. Sections 10, 11 and 12 of the Facilities Amendment provide clarification on Quorum requirements for the Governing Board, Executive Committee and TAC and Corrects a cross reference in Section 7.1.2.2 from 6.2.3 to 6.2.4.
- 8. The Facilities Amendment becomes effective on the first business day after execution by:
 - a. Municipal Parties representing at least 80% of the Municipal Party population; and
 - b. Broward County.
 - c. Does not take effect unless the Governing Board has already adopted a Master Plan as required by the ILA.
 - d. Does not change the Authority's powers; any future changes require compliance with ILA Article 16.

SOLID WASTE AUTHORITY
OF BROWARD COUNTY

Regional Solid Waste and Recycling Master Plan

April 16, 2026

How does funding flow to the Authority?

Funding Flow

Phase 1: FY 2027

Member Contribution

City pays contribution (based on your city's population)

Comparable to FY 2026

Phase 2: FY 2028 to 2030

Tipping Fee Surcharge

In FY 2028, the \$2.22 per ton surcharge is added to the collection rate paid by the hauler (i.e. pass through cost)

Recycling, yard waste, solid waste is collected

Truck gets to scale (i.e. 10 tons at \$2.22 per ton = \$22.20)

Receiving facility collects tipping fee plus \$22.20 surcharge from the hauler (i.e. pass through cost)

Receiving facility passes \$22.20 to the SWA

Phase 3: FY 2031

Non-Ad Valorem Assessment

Recycling, yard waste, solid waste is collected

SWA assessment on tax bill - estimated at \$2.72 per ton

Assessment goes straight to SWA

Funding Mechanisms

Fiscal Year	Cost Type ^{1,2}	Funding Type
FY 2027	Population	Member City Contribution
FY 2028	\$2.22/ton	Surcharge
FY 2029	\$2.33/ton	Surcharge
FY 2030	\$2.52/ton	Surcharge/Non-Ad Valorem Assessment
FY 2031	\$2.72/ton	Non-Ad Valorem Assessment
FY 2032	\$2.94/ton	Non-Ad Valorem Assessment
FY 2033	\$3.17/ton	Non-Ad Valorem Assessment

NOTES:

1. Updated to account for “non-certified tons” generated that may not be surcharge-eligible.
2. The average household generates 1.3 tons/year.

Member Contribution – Phase I

ILA Members	YEAR			
	FY 2026	FY 2026	FY 2027	FY 2027

TOTALS	1,654,522	\$2,000,000	1,696,255	\$2,000,000

What this means for a single-family home

**Single-family
home**

1.3 tons/year
estimated tons/year per
single-family home

\$2.22/ton
surcharge per ton
in FY 2028

X

=

\$2.89/year

For \$0.24 per month, here are the benefits:

- Managing our waste responsibly to help ensure our city stays clean and healthy
- Leveraging economies of scale to secure the lowest possible processing and disposal costs
- Achieving long-term stable and predictable costs for recycling, yard waste, and disposal
- Ongoing education and public outreach on how to recycle right and waste less
- Access to eight drop-off centers conveniently located in Broward County

Example of Non-Ad Valorem Assessment (Phase III)

2031 Assessment Example

City Assessment for Solid Waste Services
(Secured tonnage = best price)

**\$X
Dollars**

This amount goes to your city
(just like it does now)

SWA Assessment
(est. at \$2.72 per ton, 1.3 tons per home)

\$3.54

This Non-Ad Valorem
Assessment goes to SWA

Maximum Service Charges for Materials Processing

Material Type	Est. Tipping Fee/Ton
Recyclable Materials	\$110.00
Yard Trash (for disposal)	\$52.56
Yard Trash (for beneficial use)	\$80.00
SWD (Class I Waste)	\$57.49
SWD (Class III Waste)	\$52.56

Maximum service charges as of October 1, 2025. These charges will escalate on an annual basis in accordance with the established annual revenue adjustment, at a maximum, that aligns with the Producer Price Index for Solid Waste Collection (PPI-SW), Series ID: PCU562111562111, which reflects industry-specific cost escalation for solid waste collection, reported on a non-seasonally adjusted basis.

DISCUSSION REGARDING APPROVING A CITY OF LAUDERDALE LAKES RESOLUTION OF HOUSE RESOLUTION 1689 WHICH IS DESIGNED TO EXTEND OR REDESIGNATE TEMPORARY PROTECTIVE STATUS (TPS) FOR HAITI, PREVENT DEPORTATION OF ELIGIBLE HAITIAN NATIONALS DURING THE DESIGNATED PERIOD AND ALLOW WORK AUTHORIZATION (SPONSORED BY COMMISSIONER MAXWELL-WILLIAMS)

Summary

This is a discussion regarding approving a City of Lauderdale resolution in support of House Resolution 1689, urging action by the United States Senate. This is designed to extend or redesignate Temporary Protective Status for Haiti, prevent deportation of eligible Haitian nationals during the designated period and allow work authorization so individuals can legally work in the United States. Provision of legal presence will continue (but not permanent status).

2^D SESSION

H. R. 1689

AN ACT

To require the Secretary of Homeland Security to designate
Haiti for temporary protected status.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. DESIGNATION OF HAITI FOR TEMPORARY PRO-**
2 **TECTED STATUS.**

3 Notwithstanding any other provision of law, the Sec-
4 retary of Homeland Security shall designate Haiti for tem-
5 porary protected status until the date that is 3 months
6 after January 20, 2029.

Passed the House of Representatives April 16, 2026.

Attest:

Clerk.

119TH CONGRESS
2D SESSION

H. R. 1689

AN ACT

To require the Secretary of Homeland Security to designate Haiti for temporary protected status.

H. Res. 965

In the House of Representatives, U. S.,

April 16, 2026.

Resolved, That immediately upon adoption of this resolution, the House shall proceed to the consideration in the House of the bill (H.R. 1689) to require the Secretary of Homeland Security to designate Haiti for temporary protected status. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute specified in section 4 of this resolution shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the majority leader and minority leader or their respective designees; and (2) one motion to recommit.

SEC. 2. Clause 1(c) of rule XIX and clause 8 of rule XX shall not apply to the consideration of H.R. 1689.

SEC. 3. The Clerk shall transmit to the Senate a message that the House has passed H.R. 1689 no later than one week after passage.

SEC. 4. The amendment in the nature of a substitute referred to in the first section of this resolution is as follows:

Strike all after the enacting clause and insert the following:

“SECTION 1. DESIGNATION OF HAITI FOR TEMPORARY PROTECTED STATUS.

“Notwithstanding any other provision of law, the Secretary of Homeland Security shall designate Haiti for temporary protected status until the date that is 3 months after January 20, 2029.”.

Attest:

Clerk.

ORDINANCE No. 07-28

AN ORDINANCE CREATING SECTION 82-195 OF CHAPTER 82 OF THE CODE OF ORDINANCES; PROVIDING FOR REQUIREMENTS CONCERNING THE SOLICITATION OF CITY FUNDS BY PRIVATE ORGANIZATIONS; REQUIRING A DISCLOSURE OF MEMBERS; REQUIRING A CERTIFIED FINANCIAL STATEMENT; PROVIDING FOR ADOPTION OF REPRESENTATIONS; REPEALING ALL ORDINANCES IN CONFLICT; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR INCLUSION IN CODE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, it is essential to maintain the financial integrity of the City and to assure that public funds are expended only for public purposes, and

WHEREAS, the City receives, from time to time, requests for funding to support various organizations which provide volunteer and other services to the City, and

WHEREAS, it is deemed appropriate to provide for monitoring of the expenditure of public funds, over time,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF LAUDERDALE LAKES as follows:

SECTION 1. ADOPTION OF REPRESENTATIONS: The foregoing Whereas Clauses are hereby ratified and confirmed as being true, and the same are hereby made a specific part of this Ordinance.

SECTION 2. CREATION: Section 82-195 of Chapter 82 of the Code of Ordinances is hereby created to read as follows:

Sec. 82-195 Contributions to Private Organizations; Limitations and Requirements. All contributions made by the City to private organizations shall be made only to affect a public purpose, with substantial benefit to the City. As a prerequisite to the contribution of such funds, a requesting organization shall file an application therefor, on such forms as shall be provided by the City Clerk, stating the organization's name and address, telephone number, facsimile number and e-mail address, the names and

addresses of the board of directors or the principal controlling officers, in the event the organization is not incorporated, the amount of the requested contribution and a justification statement reflecting that the funds are to be utilized to further a public purpose which will have substantial and direct benefit to the City. Such organization shall file with the City, in addition to such application, a certified financial statement which shall not be dated more than one year prior to the request for contribution.

SECTION 3. CONFLICT: All ordinances or Code provisions in conflict herewith are hereby repealed.

SECTION 4. SEVERABILITY: If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Ordinance.

SECTION 5. INCLUSION IN CODE: It is the intention of the City Commission of the City of Lauderdale Lakes that the provisions of this Ordinance shall become and be made a part of the Code of Ordinances of the City of Lauderdale Lakes and that the sections of this Ordinance may be renumbered or relettered and the word "Ordinance" may be changed to "Chapter," "Section," "Article" or such other appropriate word or phrase, the use of which shall accomplish the intentions herein expressed; provided, however, that Section 1 hereof or the provisions contemplated thereby shall not be codified.

SECTION 6. EFFECTIVE DATE: This Ordinance shall become effective immediately upon its final passage.

PASSED ON FIRST READING IN FULL ON THE 9TH DAY OF OCTOBER, 2007.

PASSED ON SECOND READING BY TITLE ONLY THE 23RD DAY OF
OCTOBER, 2007.

ADOPTED AND PASSED BY THE CITY COMMISSION OF THE CITY OF
LAUDERDALE LAKES AT ITS REGULAR MEETING HELD ON THE 23RD DAY OF
OCTOBER, 2007.

SAMUEL S. BROWN, MAYOR

ATTEST:

HAZELINE F. CARSON, CITY CLERK

DONATION REQUEST APPLICATION

Organizations or individuals seeking funding from the City of Lauderdale Lakes must complete a Donation Request Application. All contributions made by the city to private organizations shall be made only to affect a public purpose, with substantial benefit to the city. As a prerequisite to the contribution of such funds, a requesting organization shall file an application therefor, on such forms as shall be provided by the city clerk, stating the organization's name and address, telephone number, facsimile number and e-mail address, the names and addresses of the board of directors or the principal controlling officers, in the event the organization is not incorporated, the amount of the requested contribution and a justification statement reflecting that the funds are to be utilized to further a public purpose which will have substantial and direct benefit to the city. Such organization shall file with the city, in addition to such application, a certified financial statement which shall not be dated more than one year prior to the request for contribution. (Ord. No. 07-28, § 2, 10-23-2007)

MEMORANDUM

TO: Sharon Haynes, Director of Financial Services
FROM: Sidney Calloway, City Attorney
DATE: March 30, 2026
RE: City of Lauderdale Lakes Code of Ordinance, Sec. 82-195

This memorandum addresses the issue of whether an amendment to Sec. 82-195 of the City Code of ordinance is needed as a means of providing a more user-friendly approach to assisting organizations, particularly local not-for-profit organizations who are small, volunteer based and who solicit contributions or donations from the City. Sec. 82-195, relating to Contributions to private organizations; limitations and requirements, was enacted by the City in October 2007 and states:

All contributions made by the city to private organizations shall be made only to affect a public purpose, with substantial benefit to the city. As a prerequisite to the contribution of such funds, a requesting organization shall file an application therefor, on such forms as shall be provided by the city clerk, stating the organization's name and address, telephone number, facsimile number and e-mail address, the names and addresses of the board of directors or the principal controlling officers, in the event the organization is not incorporated, the amount of the requested contribution and a justification statement reflecting that the funds are to be utilized to further a public purpose which will have substantial and direct benefit to the city. Such organization shall file with the city, in addition to such application, a certified financial statement which shall not be dated more than one year prior to the request for contribution.

A private organization soliciting contributions or donations from a Florida municipality generally needs to comply with the registration requirements in section 496.405(1), Florida Statutes, which among other things¹, includes the filing of a registration statement before engaging in any of such

¹ **496.405 Registration statements by charitable organizations and sponsors. —**

(1) A charitable organization or sponsor, unless exempted pursuant to s. 496.406, which intends to solicit contributions in or from this state by any means or have funds solicited on its behalf by any other person, charitable organization, sponsor, commercial co-venturer, or professional solicitor, or that participates in a charitable sales promotion or sponsor sales promotion, must, before engaging in any of these activities,

activities, unless the organization qualifies for one of the statutory exemptions described in section 496.406, F.S.

For example, there is an exemption for an organization that limits solicitation to its own members or which meet the small charitable organization criteria, including receiving less than \$50,000 in total contributions during a fiscal year, conducting fundraising activities solely through volunteers, and ensuring that no assets or income benefit officers, members, or professional fundraisers.² However, even in the case of such an exemption, sec. 496.406(2), F.S. mandates:

- (2) Before soliciting contributions, a charitable organization or sponsor claiming to be exempt from the registration requirements of s. 496.405 under paragraph (1)(d) must submit annually to the department, on forms prescribed by the department:
 - (a) The name, street address, and telephone number of the charitable organization or sponsor, the name under which it intends to solicit contributions, the purpose for which

file an initial registration statement, which includes an attestation statement, and a renewal statement annually thereafter, with the department [Florida Department of Agriculture and Consumer Services].

² **496.406 Exemption from registration. —**

(1) The following charitable organizations and sponsors are exempt from the requirements of s. 496.405:

- (a) A person who is soliciting for a named individual, provided that all the contributions collected without any deductions whatsoever are turned over to the beneficiary for her or his use and provided that the person has complied with the requirements of s. 496.413.
- (b) A charitable organization or sponsor that limits solicitation of contributions to the membership of the charitable organization or sponsor. For the purposes of this paragraph, the term “membership” does not include those persons who are granted a membership upon making a contribution as a result of a solicitation.
- (c) Any division, department, post, or chapter of a veterans’ service organization granted a federal charter under Title 36, United States Code.
- (d) A charitable organization or sponsor that has less than \$50,000 in total contributions during a fiscal year if the fundraising activities of such organization or sponsor are carried on by volunteers, members, or officers who are not compensated and no part of the assets or income of such organization or sponsor inures to the benefit of or is paid to any officer or member of such organization or sponsor or to any professional fundraising consultant, professional solicitor, or commercial co-venturer. If a charitable organization or sponsor that has less than \$50,000 in total contributions during a fiscal year actually acquires total contributions equal to or in excess of \$50,000, the charitable organization or sponsor must register with the department as required by s. 496.405 within 30 days after the date the contributions reach \$50,000.

it is organized, and the purpose or purposes for which the contributions to be solicited will be used.

- (b) The tax-exempt status of the organization.
- (c) The date on which the organization's fiscal year ends.
- (d) The names, street addresses, and telephone numbers of the individuals or officers who have final responsibility for the custody of the contributions and who will be responsible for the final distribution of the contributions.
- (e) A financial statement of support, revenue, and expenses and a statement of functional expenses that must include, but not be limited to, expenses in the following categories: program, management and general, and fundraising. In lieu of the financial statement, a charitable organization or sponsor may submit a copy of its Internal Revenue Service Form 990 and all attached schedules or Internal Revenue Service Form 990-EZ and Schedule O.

It is clear, from the use of similar wording and phrasing in both sec. 82-195 of the Code and the Florida Statutory provisions in Chapter 496, that the City's Code provision was drafted with an intent to require that an organization seeking a contribution from the City be required to demonstrate that the use of such funds would benefit the public and also comply in with the statutory provisions under Section 496.406, particularly that statutory section providing for an organization that limits solicitation to its own members or who meet the small charitable organization criteria, which include receiving less than \$50,000 in total contributions during a fiscal year.

Given the continuing State regulation of organizations soliciting contributions or donations in Florida, the following amendment to sec. 82-195 is recommended:

Sec. 82-195. Contributions to private organizations; limitations and requirements.

All contributions made by the city to private organizations shall be made only to affect a public purpose, with substantial benefit to the health, safety and welfare of the city. As a prerequisite to the contribution of such funds, a requesting organization shall file an application therefor, on such forms as shall be provided by the city clerk, stating the organization's name and address, telephone number, facsimile number and e-mail address, the names and addresses of the board of directors or the principal controlling officers, in the event the organization is not incorporated, the amount of the requested contribution and a justification statement reflecting that the funds are to be utilized to further a public purpose which will have substantial and direct benefit to the city. Each such organization shall also file with the city, in addition to such application, a sworn and notarized declaration attesting that (a) such person executing the Declaration on behalf of the organization has authority to do so, and (b) the organization has fully complied with the registration and other requirements set forth in section 496.405, F.S., or if exempt from registration, has complied with the requirements set forth in section 496.406, F.S.,

which Declaration shall not be dated more than thirty (30) days prior to the date of the organization's application to the City.

Title

DISCUSSION REGARDING ADVISORY BOARD MEMBERS ABSENCES

Summary

This is a discussion regarding advisory board members absences.

Staff Recommendation

Background:

Sec. 2-311. - Appointment of members.

(a) Except as [otherwise] provided for, all nonstatutory boards shall be comprised of five members. The mayor and each city commissioner shall have the right to appoint a member to a nonstatutory board.

(b) Two suitable businesses who shall have a primary operation within the corporate jurisdiction of the city, as demonstrated by an effective certificate of use and who shall otherwise be in good standing shall each nominate either an employee or principal of such business to serve as an at-large member for appointment to the economic development advisory board. Such appointed members shall be confirmed by the city commission. Each board member appointed by the mayor or city commissioner shall serve at the pleasure of the mayor or city commissioner appointing such member. The at-large members shall serve at the pleasure of the city commission. All such board members shall be appointed at the next regularly scheduled city commission meeting following the commencement of the term of the mayor or commissioner making the appointment.

Sec. 2-313. - Removal of members.

The mayor or city commissioner appointing a member to a nonstatutory board shall have the continuing right and responsibility to assess the performance, including attendance, of members and remove the member so appointed and to appoint another member as often as the mayor or appointing commissioner shall deem appropriate in order to facilitate the business of the board. Upon such removal or appointment, the same shall be deemed effective upon confirmation of the removal or appointment by the city commission, which shall be deemed a purely ministerial act.

Sec. 2-316. - Attendance.

Any member of a nonstatutory board who fails to attend two consecutive regular meetings of the applicable board, without being excused by the chair of the applicable board, shall be subject to dismissal by the mayor or city commissioner who appointed the member. The chair may excuse members from attendance for the following reasons: work conflict, religious holiday conflict, personal or family illness or death. The chair shall not excuse any board member for more than three meetings in any calendar.
