**TO:** Municipal Managers

**SUBJECT: Interlocal Agreement for Fire, Rescue, and Emergency Medical Services through Automatic Aid and Closest Unit Response**

Dear Municipal Managers:

One of the objectives of the Broward County Charter is to facilitate the establishment of countywide closest unit response capability. Broward County has established a countywide communications infrastructure that provides for this capability and has worked collaboratively with fire agencies of Broward County in development of a phased implementation plan to deliver Closest Unit Response to all Regional Consolidated Dispatch Participating Municipalities in Broward County by the end of 2022.

A prerequisite of the implementation plan is execution of the Interlocal Agreement for Fire, Rescue, and Emergency Medical Services through Automatic Aid and Closest Unit Response.

Through continued collaborative efforts with the Fire Chief's Association of Broward County, the attached Interlocal Agreement was developed to establish the framework for closest unit response for Fire Rescue Agencies. **In an effort to expedite the continued implementation of the closest unit response program, this Agreement should be considered by every City Commission as soon as possible. We request that you schedule this item for your commission approval no later than November 30th, 2021.**

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bertha Henry", is written over a large, stylized blue ink flourish.

**REGIONAL INTERLOCAL AGREEMENT  
FOR COOPERATIVE FIRE, RESCUE, EMERGENCY MEDICAL SERVICES, AND SPECIAL  
OPERATIONS RESPONSE THROUGH AUTOMATIC AID AND CLOSEST UNIT RESPONSE**

This Regional Interlocal Agreement for Cooperative Fire, Rescue, Emergency Medical Services, and Special Operations Response through Automatic Aid and Closest Unit Response ("Agreement") is entered into between the Municipalities executing this Agreement, the Broward County Sheriff's Office, and Broward County (each a "Party" and collectively referred to as the "Parties").

**RECITALS**

A. Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population, and other factors influencing the needs and development of local communities.

B. The design, purpose, and intention of this Agreement is to permit the Parties, individually and collectively, to make the most efficient use of their respective powers, resources, and capabilities by cooperating in the use of their respective powers, resources, and capabilities in regard to fire, rescue, and emergency medical services ("EMS"), on a basis of mutual advantage, to provide services and facilities in a manner most consistent with the geographic, economic, demographic, and other factors influencing their respective needs and the development of their respective and joint communities.

C. Each Party hereto maintains or contracts for the services, which may include paid or volunteer services, of a Fire Rescue Department with apparatus, firefighting equipment, EMS equipment, and firefighting, EMS, and administrative personnel.

D. The Parties acknowledge that incidents that include but are not limited to the requirement for firefighting, rescue, emergency medical services, special operations, and emergency/disaster relief occur without prior warning, without a set pattern or frequency, and without regard to life, limb, or property.

E. The Parties further recognize that there is a mutual advantage in providing automatic aid for closest unit response for life-threatening emergencies and cooperative use of the resources available among the affected Parties in order that lives and property may be saved.

F. In 2002, Broward County residents voted by Charter amendment to provide for the establishment and funding of communications infrastructure for fire and emergency medical services to facilitate closest unit response for life-threatening emergencies and support for regional specialty teams.

G. By and through this Agreement, the Parties intend to provide for automatic aid via closest unit response for life-threatening emergencies as defined herein as part of the normal day-to-day operations of all of the Parties while not providing such aid to subsidize normal day-to-day operations.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by the Parties, the Parties mutually covenant, promise, and agree as follows:

## **ARTICLE 1. PURPOSE AND INTENT**

1.1. The Parties affirm the Recitals stated above as true and correct and incorporate them herein.

1.2. The stated purpose and intent of this Agreement is for the Parties to cooperate with each other on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population, and other factors influencing the needs and development of local communities. This will be accomplished by automatic aid via closest unit response, as defined herein, in addition to the Automatic Aid Addendum agreements that allow for automatic aid between two or more Parties and that are above and beyond the parameters outlined by closest unit response.

1.3. Except to the extent inconsistent with this Agreement, nothing in this Agreement shall preclude or otherwise negate any existing sharing or mutual aid agreements, or agreements pertaining to the compensation or shared expenses of same, that may already exist or may be entered into between any of the Parties. The Parties may continue to enter into such sharing agreements and doing so will not constitute a violation or breach of this Agreement. For any Life-Threatening Emergency (as defined in Section 2.6) originating from within the geographical boundaries of any Party, that Party shall be deemed the Requesting Party and the applicable PSAP shall dispatch units based upon Closest Unit Response parameters.

#### **ARTICLE 5. RESPONSE TO REQUEST FOR AID**

5.1 The Parties agree to provide aid to each other by responding to the fire, rescue situations, EMS calls, special operations emergencies, other emergencies, and disasters as requested by the Requesting Party subject to the terms, conditions, and understandings contained in this Agreement and any applicable agreement(s) between the relevant Parties (subject to Section 1.3 above).

5.2 Any Parties executing an AAA for Automatic Aid further agree to provide Automatic Aid as set forth in such AAA to the Parties to that AAA.

5.3 If a call for service originates from outside the geographical boundaries of a particular Party and that Party has Available Units ("Responding Party"), then the Responding Party shall accept and respond to a dispatch request for Closest Unit Response in the same manner as a call for service within the Responding Party's jurisdiction, except as may otherwise be modified by this Agreement.

5.4 The Parties recognize and agree that if, for any reason beyond the reasonable control of the Responding Party, the Available Unit(s) or other requested resources are unable to respond to the request for aid, the Responding Party shall not be liable or responsible in any regard whatsoever for such inability to respond.

5.5 In the event any Party has twelve (12) or more unjustified incidents of being unable to respond with an Available Unit under the parameters of CUR within a calendar year, upon written approval of the Fire Chiefs for the majority of the municipalities that both share a geographical boundary with that Party and are a Party to this Agreement, the Party demonstrating the failure to respond may be terminated as a Party to this Agreement upon sixty (60) days' prior written notice by any such neighboring municipality that is a Party to this Agreement. Any financial or other liabilities that accrued prior to the effective date of termination shall survive such termination of this Agreement.

5.6 Grounds justifying an inability to respond to a request for CUR include, but are not limited to, the following, provided that upon the resolution or removal of any of these grounds justifying an inability to respond, the Responding Party promptly contacts the PSAP and offers to provide the requested assistance:

- (a) The requested unit was inoperative;
- (b) The requested unit was dispatched in error and outside the parameters stated in the Broward County Closest Unit Response Project Charter at Section 4, Project/Service Description, as may be amended or otherwise modified by the applicable Broward County governance boards;
- (c) The requested unit was being utilized on another emergency call; or
- (d) The requested unit is prohibited as matter of federal or state law from providing aid outside the territorial limitations of their jurisdiction.

#### **ARTICLE 6. CONTROL OF FIRE, RESCUE, EMS, AND SPECIAL OPERATIONS,**

6.1 The Parties to this Agreement understand and agree that the Incident Command System ("ICS"), as defined by the National Incident Management System ("NIMS"), is the framework for controlling and managing emergency incidents within a given jurisdiction. The Incident Commander ("IC"), as defined within ICS under NIMS, is in charge of the incident and responsible

for tactical coordination of all personnel and equipment used to control an active incident.

6.2 Control of each Responding Party's personnel shall remain with each Responding Party as to the rendition of service, standards of performance, discipline of officers and employees, and other matters incident to the performance of services by the Responding Party's personnel.

6.3 The personnel of the Responding Party shall not be obligated to obey any order that an officer of the Responding Party reasonably believes to be either in violation of the laws of the State of Florida, United States, or the established rules and procedures of the Responding Party. The senior officer of the Responding Party may, in his or her judgment, instruct the personnel of the Responding Party that they are not obligated to comply with any order issued by another Party's personnel that said senior officer believes may result in a likelihood of unreasonable risk of death or bodily injury to the agents, officers, or employees of the Responding Party, or in a significant and substantial loss or damage to the Responding Party's equipment. In the event of said noncompliance, the senior officer will notify the other Party's individual who issued said order, and the senior officer will notify his or her supervisor of the Responding Party.

6.4 Communications at each incident to which a Responding Party is rendering aid shall be in accordance with the National Incident Management System guidelines, unless otherwise agreed by the applicable Parties.

#### **ARTICLE 7. REIMBURSEMENT**

7.1 All costs associated with providing aid as defined within this Agreement shall be the responsibility of the Responding Party except as otherwise expressly stated in this Agreement, the applicable AAA (if any), or another written agreement between the applicable Parties, or, for a declared emergency only, the applicable respective funding responsibilities per Federal Emergency Management Agency requirements. Any other agreements relating to payment for fire protection and emergency medical services shall remain in effect.

7.2 Except as otherwise expressly provided in this Agreement, each Party is solely responsible for the wages, salaries, cost of workers' compensation or other insurance premiums and benefits, and retirement and other job benefits to any of its employees or contractors, whether or not said persons provide any services to any other Party under this Agreement.

7.3 Except as otherwise expressly provided in this Agreement, the Responding Party furnishing any equipment pursuant to this Agreement shall bear the cost of any loss or damage to its equipment, and shall be solely responsible for any expenses incurred in the operation or maintenance of such equipment.

7.4 Any Responding Party that provides transport service may require reimbursement for the transport service from the transported patient to the extent permitted by law. The Responding Party will handle billing, insurance claims, and collection in accordance with their policies and procedures and any applicable laws and regulations, including the latest federal Medicare guidelines if applicable. The Requesting Party shall receive, upon request to the Responding

Party, a copy of any such invoices or other documentation, provided that neither Party shall use or disclose Protected Health Information (“PHI”) or Electronic Protected Health Information (“e-PHI”) except as permitted by the Health Insurance Portability and Accountability Act or the Health Information Technology for Economic and Clinical Health Act (“HITECH”), each as amended, and the regulations promulgated thereunder (collectively “HIPAA”), and any other applicable laws and regulations, all as may be amended from time to time.

#### **ARTICLE 8. INDEMNIFICATION**

8.1 To the extent permitted and as limited by Section 768.28, Florida Statutes, the Parties shall each individually defend any action or proceeding brought against their respective agency and shall be individually responsible for all of its own costs, attorney’s fees, expenses, and liabilities incurred as a result of any such claims, demands, suits, actions, damages, and causes of action, including the investigation of the defense thereof and any appellate proceedings, and from and against any orders, judgments, or decrees that may be entered as a result thereof.

8.2 Each Party shall bear its own responsibility and be liable for any claims, demands, suits, actions, damages, and causes of actions arising out of or occurring during travel to or from its own incident or emergency or from an incident or emergency covered by this Agreement.

8.3 The Parties agree that this Agreement does not require any Party to provide, nor entitle any Party to demand, indemnification, defense, or hold harmless relating to any claims, demands, damages, or causes of action that may be brought against any Party pursuant to this Agreement.

8.4 Any existing privileges and immunities, limitations from liability, exemptions from laws, ordinances, and rules, and all pensions, benefits, and other relief, disability, workers’ compensation, and other benefits that apply to the officers, agents, or employees of the Parties hereto when performing their respective functions and duties within their respective territorial limits for their respective agencies, shall apply to the same degree and extent to the performance of those functions and duties of such officers, agents, or employees extraterritorially under the provisions of this Agreement.

#### **ARTICLE 9. EFFECTIVE DATE; TERMINATION**

9.1 This Agreement shall be effective as to each Party on the first day of the first calendar month after execution of this Agreement by that Party. The effectiveness of this Agreement does not require the execution by all or any minimum number of municipalities, but shall be effective as stated in this Section 9.1 for each executing Party after execution by that Party.

9.2 This Agreement may be terminated by any Party solely as to that Party’s participation in this Agreement upon no less than sixty (60) days’ prior written notice by the provision of such written notice to the entities stated in the Notices provision of this Agreement. Upon receipt of any notice of termination, the Fire Chiefs’ Association of Broward County shall promptly serve such notice upon all other Parties to this Agreement. The termination by any one Party pursuant

to this section shall have no effect upon the continuation of this Agreement as to the other remaining Parties.

## **ARTICLE 10. GENERAL CONDITIONS**

**10.1 No Waiver of Sovereign Immunity.** Nothing herein is intended to serve as a waiver of sovereign immunity or of any rights or limits to liability existing under Section 768.28, Florida Statutes, by any agency or political subdivision to which sovereign immunity or such rights or limitations may be applicable, nor shall nor anything included herein be construed as consent by any Party to be sued by third parties in any matter arising out of or relating to this Agreement. This section shall survive the termination of this Agreement.

**10.2 No Third-Party Beneficiaries.** The Parties do not intend to create or confer any rights or obligations in or upon any third party by this Agreement. None of the Parties intend to directly or substantially benefit a third party by this Agreement. The Parties therefore acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the Parties based upon this Agreement.

**10.3 Independent Contractor.** The Parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. No party or any agent, employee, subcontractor, or assignee of any Party may represent to another that it has the authority to bind the other Party unless specifically authorized in writing to do so. No right to any Party's retirement, leave benefits, or any other benefits of a Party's employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. Parties shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds, or insurance for any other Party or any other Party's officers, employees, agents, subcontractors, or assignees.

**10.4 Equal Opportunity; Discrimination.** The Parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation in the performance of the Parties' respective duties, responsibilities, and obligations under this interagency agreement.

**10.5 Notices.** In order for a notice to a party to be effective under this Agreement, notice must be sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via e-mail, to the addresses listed on the signature pages below, and shall be effective upon mailing or hand delivery (provided the contemporaneous email is also sent). The addresses for notice shall remain as provided in this section unless and until changed by providing notice of such change in accordance with the provisions of this section.

**10.6 Compliance with Law.** Each Party shall comply with all applicable federal and state laws, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement. This Agreement does not and shall not be deemed to relieve any Party of any of its obligations or responsibilities imposed by law except to the extent of the actual and timely performance of those obligations or responsibilities by one or more of the other Parties to this

Agreement, in which case performance provided hereunder may be offered in satisfaction of the obligation or responsibility.

**10.7 Governing Law and Venue.** This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claim arising from, related to, or in connection with this Agreement must be litigated in federal court, the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy Court for the Southern District of Florida. **BY ENTERING INTO THIS AGREEMENT, EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHTS THAT PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.**

**10.8 Entirety of Agreement.** Except as to any AAA or other Automatic Aid or Mutual Aid agreement between any of the Parties to this Agreement, this document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understanding applicable to the matters contained herein, and the Parties agree that there are no commitments, agreements, or understanding concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written, unless expressly permitted herein.

**10.9 Severability.** In the event any part of this Agreement is found to be unenforceable by any court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

**10.10 Assignment.** Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any Party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from any other Party. Any attempt to assign this Agreement or any interest or obligation under this Agreement shall be null and void ab initio.

**10.11 Interpretation.** The titles and headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as "herein," "hereof," "hereunder," and "hereinafter" refer to this Agreement as a whole and not to any particular sentence, paragraph, or section where they appear, unless the context otherwise requires. Whenever reference is made to a section or article of this Agreement, such reference is to the section or article as a whole, including all of the subsections of such section, unless the reference is made to a particular subsection or subparagraph of such section or article. Any reference to "days" means calendar days, unless otherwise expressly stated.

**10.12 Preparation of Agreement.** The Parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete

understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort, the language agreed to herein expresses their mutual intent, and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

**10.13 Authority.** Each person signing this Agreement on behalf of any Party warrants that he or she has full legal power and authority to execute this Agreement on behalf of that Party.

**10.14 Materiality; Waiver.** Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term of this Agreement. A Party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party.

**10.15 Public Records.** Each Party shall be individually responsible for compliance with the obligations of Chapter 119, Florida Statutes, for any public records made or received by that Party.

**10.16 Priority of Provisions.** If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document, addendum, or exhibit attached to or incorporated in this Agreement and any provision of Articles 1 through 10 of this Agreement, the provisions contained in Articles 1 through 10 shall prevail and be given effect.

**10.17 Amendments.** No modification, amendment, or alteration in the terms or conditions contained in this Agreement shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by duly authorized representatives of each Party. Any amendment to Automatic Aid Addendums (AAAs) shall require only the written approval by authorized representatives of the Parties to that particular AAA and shall not constitute an amendment to this Agreement.

**10.18 Conflict Resolution.** The Parties mutually agree that it is beneficial to have a conflict resolution policy in place as an incorporated element of this Agreement. If any Party is in conflict as to another Party relating to a dispute arising out of this Agreement or any provision thereof, an executive director/senior manager of each Party in conflict will meet within thirty (30) days after being notified of a conflict. The Parties in conflict will attempt to resolve the conflict at the senior management level without the need for further resolution, unless it is impractical or not feasible to resolve the issue at the negotiations level. If negotiations fail to resolve the issue, upon request by any Party in the conflict, the conflicting Parties shall mediate the issues by a Supreme Court Certified Circuit Civil Mediator in Broward County, Florida. Any such mediation shall occur within thirty (30) days after the date mediation is requested by a conflicting Party. The Mediator shall be agreed upon by the Parties in conflict by mutual agreement (if the Parties cannot agree,

each Party in the conflict shall select one (1) mediator, and the selected mediators shall agree upon the mediator that shall conduct the mediation, which may be any of the selected mediators or a different mediator entirely). The conflicting Parties shall pay the Mediator fees promptly and on an equal basis. Litigation may not be commenced by a Party until after any requested mediation has been (i) declared an impasse by the Mediator, (ii) terminated in writing by one or both of the Parties, or (iii) there is an immediate need for judicial relief of an emergency nature (i.e., the need for a temporary restraining order or preliminary injunction). Nothing in this section is intended to prejudice a Party's right to access the courts to obtain judicial relief or assistance; rather, this provision is created to facilitate resolution before litigation is initiated. Provided an appropriate Resolution has been issued by the governing body of the applicable Party and noticed to the applicable entities in compliance with Section 164.1052(1), Florida Statutes, compliance with the provisions of this section shall be deemed by the conflicting Parties to constitute full compliance with the conflict assessment phase obligations of the Parties under Section 164.1053(1), Florida Statutes. Unless the applicable Parties otherwise agree in writing, nothing in this section alleviates the Parties' obligations to comply with Section 164.1055, Florida Statutes, or any necessary notice obligations under Florida law.

**10.19 Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

**10.20 Recording.** This Agreement and any subsequent amendments shall be recorded in the Official Records of Broward County.
